Rept. 115-282 (Senate report) accompanying S. 3108 (Senate bill) as though stated in this explanatory statement, unless specifically directed to the contrary.

This explanatory statement, while repeating some House and Senate report language for emphasis or clarification, does not negate language in such reports unless expressly provided herein. Language expressing an opinion or making an observation in the House or Senate reports represents the view of the respective committee unless specifically endorsed in this explanatory statement. In cases in which the House and Senate reports provide contradictory directives or contradictory instructions that are not addressed in this explanatory statement, such directives or instructions are negated.

Reports required to be submitted pursuant to the Act, including reports required by this explanatory statement and the House and Senate reports, may not be consolidated to include responses to multiple requirements in a single report, except following consultation with the Committees on Appropriations.

In lieu of the tables and allocations of funding contained in the House and Senate reports, the tables and such allocations contained in this explanatory statement shall guide departments, agencies, commissions, and other entities when allocating funds.

Section 7019 of the Act requires that amounts designated in the respective tables referenced in this explanatory statement for funds appropriated in titles III through V, including tables in title VII, shall be made available in such designated amounts, unless otherwise provided for in the Act, and shall be the basis of the report required by section 653(a) of the Foreign Assistance Act of 1961 (FAA) (the 653(a) report), where applicable. The section also includes limited authority to deviate from such specified amounts and continues language similar to prior years including exceptions to the application of the requirements of such section for amounts designated in tables included in this explanatory statement for International Military Education and Training, Global Health Programs, and Economic Support Fund/Global Programs, funds for which the initial period of availability has expired, amounts designated by the Act as minimum

funding requirements, and funds made available for a country pursuant to sections 7043(c), 7047(d), and 7071(b) of the Act.

Proposed deviations from tables in titles I and II in this explanatory statement are subject to the regular notification procedures of the Committees on Appropriations, unless an exception or deviation authority is specifically provided herein.

For the purposes of this explanatory statement, the term “prior Acts” means prior Acts making appropriations for the Department of State, foreign operations, and related programs. For purposes of the Act and explanatory statement, the term “regular notification procedures of the Committees on Appropriations” means such Committees are notified not less than 15 days in advance of the obligation of funds. The Secretary of State and USAID Administrator are directed to submit notifications for the obligation of funds made available by the Act and prior Acts not later than 60 days prior to the expiration of such funds.

Congressional notifications submitted by the Secretary of State and USAID Administrator for funds that are being reallocated prior to initial obligation, reprogrammed, or reobligated after deobligation, shall, to the maximum extent practicable, contain detailed information about the sources of the funds and why such funds are no longer intended to be used as previously justified.

For purposes of the Act, the term “prior consultation” means a pre-decisional engagement between a relevant Federal agency and the Committees on Appropriations during which the Committees are provided a meaningful opportunity to provide facts and opinions to inform: (1) the use of funds; (2) the development, content, or conduct of a program or activity; or (3) a decision to be taken. Direction to consult with the “Committee” in either the House or Senate reports shall mean to consult with the Committees on Appropriations.

In the Act, the term “stabilization assistance” has the same meaning as defined by the Stabilization Assistance Review in “A Framework for Maximizing the Effectiveness of U.S. Government Efforts to Stabilize Conflict-Affected Areas, 2018.”

As in prior fiscal years, additional funding designated as Overseas Contingency Operations/Global War on Terrorism (OCO/GWOT) pursuant to the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) is contained in title VIII of the Act. Such funds are intended to address the extraordinary costs of operations and assistance in countries in conflict and areas of instability and violence, particularly in the Middle East, South Asia, and Africa; security, stabilization, and peacekeeping programs; humanitarian activities; and counterterrorism and counterinsurgency efforts.
